The ride on narrow canals and backwaters of the Neretva in the traditional boat is a unique experience. The boat of the Neretva meant the life and nowadays it means pride and an indelible trace of tradition which fascinates again and again every dear visitor to our valley. The boat will be guided by your host who will make you familiar with the life in the Neretva, show you how people of the Neretva fish and cultivate citrus fruits as symbols of the Neretva (mandarins, figs, grapes). He will reveal you small secrets of the widely known local delicacies toast you with wine of the Neretva in a wooden jug and, of course, sing. In that perfect labyrinth of canals adorned with beautiful water-lilies, unique samples of birds live in their hidden abodes, covered by bulrushes and reeds. We look forward to seeing you.
